ASUNA vs NEGI

Yay! It's Sayo's second release.  
And once again, it is a doujin by none other than Gust!  
You must be asking yourself if i've got a thing for  
Mahou Sensei Negima! And the answer is... not particularly...  
As I stated in my last rant, Gust's releases are easy to translate  
because of the font and the fact that there isn't much Kanji!

As for my opinion of Negima, I do read and buy the manga but I  
enjoyed Love Hina more. Also, the Negima anime has been botched so  
horribly, I want to cry... But, at least Gust's artwork is still A-ONE!  
I suppose with any luck, they will fix the awful animation. I guess it's  
too late to fix the horrible opening though... I'm so disappointed...  
Xebec, how could you?!

Well, I don't really have much to rant about this time... so...  
I hope you enjoy this release! When I'm done with Gust's releases,  
I will see if I can find some School Rumble, Genshiken or Gundam  
doujins I can translate. As you can guess, I like those series...

As for when I'll release another one? Your guess is as good as mine.

I'm gonna surprise you even more.

Asuna-san, I hope this isn't all you can take, because...

I can't wait any longer and neither can my penis.

if you're  
going  
this far...  
I guess it  
might be  
ok.

Alright!

Eh?  
Is it  
really  
ok?

Perverted  
things...?  
Like

## あとがき

どうも、ガストさんです。読んでくれてどうも  
ありがとう。感謝。

今回はアスナさんオンリーです。やっぱアスナさん好きよ。  
関係ない話していい？いやースカイシアターでデカレン  
見てきたよー。役者出るやつ。役者公演ははじめて見たけど  
すごいね。みんなカッコいいよ。ホーギーはいいアクション  
するし、センちゃんもいいアドリブするし、バンもカッコイイ。  
いやーあれは特撮好きなら見るべきでしょうっ。いいもん見た。  
夜は戦隊ライブいったし、燃えた一日だったぜ。

もえといえ、ひぐらし、はやってるね。実はまだ  
やってないのよ。どう？おもしろい？まわりがすごい  
薦めるんだよね。コミケまでにはやってみたいんだけど  
怖いんだってねー。

と、11月の近況でしたが、「ネギま！」の話もしようね。  
アニメ化どうかね。深夜はいいとしてもテレ東でどこまで  
やるかがポイントよね。やっぱりえっちーの期待しちゃうし。  
うーん、せめてパンチラぐらいは頂きたい。

というわけで、またまた「ネギま！」本でしたが、まだ  
続けます。多分。「ネギま！」好きなうちは描き続けるよー。  
だから皆さんよければまた見てねー。 終
